

1816 SOUTH HERO OLD WHITE MEETING HOUSE PROJECT

Preserving South Hero history for the Next 200 Years!

The “Event” scheme shows an occupant load of 84 people which is below the 15sf/person calculation of 88 people.

The “Lecture” scheme shows a denser occupant load of 148 people which is below the more concentrated code application for assembly of 7sf/person. Using the 7sf/person, the maximum occupancy comes to 188 people.
